Rom 1:12 "that you and I may be mutually encouraged by each others faith"

Dear Friends,

We have to sit down and think about it for a while...March? Are we already in the 3rd month of the year? Yes we are and February was filled with lots of travel.

First I spent a week in Hillcrest, KZN, for the Worldview Renewed course. During the AWVR week the INcontext team had the opportunity to minister towards other mission leaders as we looked at what is happening around the world, and how it impacts missions in a today context. Participants came from Witbank, Pietersburg, Kemptonpark and even Thailand.

Anel joined me to Namibia where we presented the INcontext seminar in Walvisbay together with the INcontext team. It was wonderful to have Anel with me in Namibia, knowing that she always prays for me when I'm away from home, it was wonderful to hear those prayers every night. She is a great encouragement! We were treated as kings but I still had to act like a peasant and ran up a dune just to find out that I was not fit enough to get halfway, even eating salt direct from the refinery and enjoyed every moment. We enjoyed every minute of the fellowship with the INcontext team.

I will be travelling to China next week, 9-19th March, where the INcontext team will have the opportunity to meet with Chinese believers, help with training, encourage them and gain valuable insight into the Back to Jerusalem movement, a movement from out the Chinese church that has the potential of changing the world through missionaries serving along the silk route. I want to thank all of you who have continued to pray for me in regards to China and thank you to everyone who has supported me financially. I still need R4000 before the 8th of March and ask your continued prayer in this regard. I look forward to bringing back greetings from the Chinese part of the body of Christ.

If you would like to contribute financially, we ask that you consider this in prayer and from the outflow give not out of compulsion, but out of a joyful heart.

Remember your name so we know who to say thank you to
